Men Reclaim Their Shamed Masculine Power.**

**“Boys Don’t Cry!” Don’t they?

Men Reclaim Their Capacity To Feel.**

**“There Is No Deeper Meaning!” Isn’t there?
On The Path of Initiation

**And No Longer Needing To Avoid Or Crush
Woman (Or Pander To Her Every Need),
On The Path of Initiation
Men Come To Honour Woman
As The Sacred Ally
Of Their Male Potency and Creativity.**

**This Path of Initiation
Is The Collective, Evolutionary
Cutting-Edge For Men.**

The reclaiming of our male dignity is more than a personal project, it is our collective challenge ~ and obligation. We are unique, individual cells within the body of The Masculine ~ inheritors of the emotions and mindsets of our forefathers, and caretakers of the bodies, hearts and minds of our descendants. We need to stand up and take responsibility for becoming the men we can be ~ for ourselves, for the women, for our sons and daughters, for the earth ~ and simply because there is no other truly dignified choice.

And we cannot do this alone. We need each other. We need our brothers. We see ourselves in each other. We give each other strength, inspiration, and support in our vulnerabilities. This Initiation is a year long journey in a small brotherhood. Each man will travel his own Unique Initiatory Journey, accompanying his brothers on their oh-so-similar journeys into the ancient-future dignity of radical, authentic, full manhood.

THE WEEKENDS

**WE WILL BE EXPLORING THE THEMES OF
ANGER AND POWER, GRIEF AND LOVE,
PRESENTNESS, PURPOSE, COMMITMENT, AND
THE HONOURING OF THE FEMININE.**

**YOU WILL RECEIVE A HEFTY ‘TOOLBOX’ OF
PRACTICES AND UNDERSTANDINGS THAT WILL
ENABLE YOU TO WALK YOUR TALK, AND
INTEGRATE THIS TRANSFORMATION INTO YOUR
EVERYDAY LIFE.**

**WE WILL BE USING MUSIC, MOVEMENT,
MEDITATIONS, STRUCTURED EXERCISES,
CEREMONY, AND SHARING CIRCLES.**

**“The Initiatory Journey has strengthened me, opened me, warmed me to my masculinity and to my brothers, and given me a life defining toolkit. The Journey is life changing. It is grounded in deep experience of real masculinity and real femininity, and their difficult and wonderful relationship.”
Dr. B. Hardwick, consultant (IJ, 2010)**

**“The Initiatory Journey has enabled me to be responsible for myself. My family life has improved drastically. I am now able to live my own life from my Centre, from my choice. This journey has opened the gateway to my life.”
S. Gouge, builder, photographer (IJ, 2010)**

MARK JOSEPHS-SERRA (‘Joseph’) has often be called a visionary. As a young man he renounced conventional education, eventually spending ten years as a Hindu monk. In his early thirties, Joseph ‘came down the mountain’ and became a successful businessman.

But Joseph still felt uncomfortable. He saw a huge split in modern culture, which seeks to hide the deep, painful and exquisite journey of our hearts from public and political life.

In 1993, together with his wife, Elisabeth, Joseph founded the pioneering social movement ‘The Culture of Honouring’ – to bring together people who want to shape a new culture by honouring the feminine heart-dimension of life – while still honouring the clarity and potency of the masculine.

Joseph is the author of *Sex, Spirit & Community* (Carpenter, 2000), *Intimate Freedom* (Plataforma, 2011), he has published numerous essays and articles, and has run hundreds of seminars and workshops in Europe and the USA.

INITIATION

Initiation is a birth and a death ~ a rebirth. On this sixth year of The Initiatory Journey each man will be using proven techniques to help himself, and support the other men, to be reborn into The Path Of Masculine Wholeness. We will travel together in a mood of strong commitment, sacred brotherhood, risk, profound mutual respect, and firm, tender challenge.
